RHM summer-meeting 9th - 17th August in Melchtal, central Switzerland

Dear friends,

It is a very special pleasure to invite you this year to Melchtal which lies in central Switzerland – very close to the Titlis by Engelberg, where exactly 40 years ago the founding of Rendez-vous Hautes Montagnes (RHM) took place!

The Melchtal is a sport climbing Eldorado with well protected routes from 1 to 10 pitches on excellent limestone. In less than an hour's drive we can reach large limestone and granite walls, can climb rock, ice or mixed. Of course there are also beautiful mountain-hikes and via ferrata, mountain bike trails and everything a mountaineer's heart desires. Plants and wildlife are exceptional.

We will stay at:

Sportcamp Melchtal (www.sportcamp.ch)

It boasts:

- 2 comfortable sleeping-pavilions with sufficient showers and bathrooms. (There is an extra room for those who snore!)
 - Linen: Pillows are provided but bring along your sleeping-bags. Alternatively you can rent a duvet and bedlinen for SFr. 13.-)
 - 1 Kitchen with a large recreation-room
- You can pitch your tent in the garden but the price is the same as sleeping in the pavilion.

Price per night: sFr. 18.-

Breakfast and supper are served at cost price (it is also possible to cook your own food).
