!!! In the route DRAGONFLY (sector Dragon) is one bolt missing - don't climb it before it will be rebolted!!!

TAKE CARE / CLIMB SAFE

- * Double check your climbing partner before you start to climb!
- * Control, if your rope is long enough for the route - make a knot at the end of your rope!
- * be sure you have enough experience with your belay - device!
- * Don't sit, rest or let you children play under routes, where a climber is climbing - tufas and rocks can always break and fall down!

Dial 112 for **AMBULANCE**.

TAKE CARE - RESPECT ETHICS AND NATURE

- * Use the toilets in the camps and the restaurant - keep the climbing area clean!
- * Respect the **ETHICS** of the climbing area like they are written on page 18 and 33 in the guidebook!
- * Clean routes from chalk and tickmarks!
- * The cave on the right side of sector GEYİK is closed for bolting and climbing, because there is an owl nest!
- * Open only routes, if you have enough experience for this! Respect the rules and ethics of the climbing-area for this!
